

REQUEST FOR MATRICULATION CONTINUED REGISTRATION

Students who are obliged to interrupt their studies, or for who no other registration is appropriate for a given term, may, with the approval of their graduate director, register for Matriculation Continued for a maximum of two consecutive terms. There is no tuition fee for this registration, although a student fee will be charged.

This category of registration is not available to post-qualifying doctoral students, who are expected to register for Research until they have completed their degrees. Those students who are away from campus but working on their theses or dissertations and in contact with their committees are required to register for a minimum of 1 credit of research per term. Doctoral students who are on campus and engaged in research must register for a minimum of 3 credits per term.

Master's students who are on campus and engaged in research must register for a minimum of 1 credit per term.
